# Meeting Logistics & Expectations

---

- Task Force Members and Members of the public will be assigned to one of the three “meeting rooms” for group discussion
- Rooms are not topic specific - commentary on any issues related to climate change is welcome during group discussion
- Each room will have a facilitator and a note taker. Each discussion will be recorded.
- Task Force members are here to listen to the public and may ask clarifying questions.

# Making Public Comments

---

- Please be mindful of everyone who is attending tonight and help ensure that everyone has an opportunity to have their voice heard.
- Facilitators are on hand to ensure productive conversation, manage the time and troubleshoot where needed.
- Public comments are also welcome via:
