

Governor's Task Force on Climate Change

Land Use and Conservation Subcommittee

**Meeting Minutes
May 13, 2020
2:00 PM
Video Conference**

Item	Time	Lead
1. Welcome & Video Meeting Etiquette	2:00	Staff
Staff welcomed subcommittee members and members of the public, provided video meeting and logistics, and took a roll call.		
2. Meeting Purpose & Roll Call	2:05	Chair
The Subcommittee Chair described the intention of reviewing preliminary recommendations from subcommittee members and stakeholders with whom they met, and to further identify goals and barriers related to the recommendations.		
3. Discussion: report back from conversations with stakeholders. Whom did you talk with, and what did you learn?	2:10	All
Each of the subcommittee members briefed the group on their discussions with individuals and organizations from their respective networks and the feedback which was received related to the development of their recommendations.		
4. Discussion: What are our goals for addressing land use- and conservation-related climate change issues and impacts?	2:40	All
Each of the subcommittee members provided comments on their overarching goals that will guide the refinement of the recommendations.		
5. Discussion: What barriers exist that are preventing us from achieving these goals?	3:00	All
Each of the subcommittee members discussed the barriers they perceived as challenges to the realization of their subcommittee goals.		
6. Next steps/Closing remarks - Homework to Chair and Staff - Date/time and goal for the next meeting	3:20	Chair
Staff will update the preliminary recommendations document and return to subcommittee members to begin refining and prioritizing prior to the next meeting.		
7. Public Comment	3:30	Staff, Chair
Individuals from the public, advocacy groups, and educational organizations provided their reactions, ideas, and messages of support to the subcommittee members.
